

Invitation

Hello

Shakespeare Martineau and [Wonkhe](#) are delighted to invite you to the launch of "The different faces of the university" on Thursday 29 June 2017.

A thought provoking collaboration of essays which even challenged our authors – all from the world of UK higher education - to think in different ways about the changing roles of universities and explore the knotty question of 'what is a university for?'. The results are impressive!

We do hope you'll be able to join us for a lively event and a chance to meet the authors.

Please RSVP in advance at events@shma.co.uk.

Kind regards

Smita Jamar
Partner and Head of Education
